

## SB.12 TELESCOPIC POST

**HEAVY DUTY – REFLECTIVE STRIPE**

**WE OFFER INSTALLATION ON THIS PRODUCT – CONTACT US FOR A QUOTE**

Our SB.12 Telescopic Post is a perfect heavy duty solution for securing your driveway, shutter door or anywhere similar. The SB.12 is a fully retractable post, securing areas in its upright locked position and allowing access when lowered below ground. An ideal solution for area demarcation where access may be required.

Due to its sleek, high visibility design this product is great for residential and industrial use.
