

SB.29 FOLDING BOLLARD

HEAVY DUTY C/W INTEGRAL LOCK

Primarily designed to discourage shop-window ram-raiders, this heavy-duty folding bollard is a great solution for protecting shutter doors etc. or anywhere that requires access to be gained.

With high visibility features it is also commonly used for cordoning off pedestrianised areas. Providing entry control when required and deterring vehicular access to areas such as pathways and driveways.

The integral lock is positioned at the top of the post enabling the user to easily lock and unlock the bollard.
